

Hearson's Cove Beach

We went
to Hearson
Cove beach.

~~I~~ I chose it

because I
Love the

beach and keep sealife

forever.

It's beautiful there! I want
to keep it like that.

We found
a sign on
the rocks.

It's sad that there is
graffety on the rocks.

I wish it was clear.

We found
some rubbish
and it is hundres
to sealife.

We found a silly plastic rapper, lucky there was a bin

we put it in the bin.
plastic bags are a
dandris
to turtles.

The end
