

CELEBRATE WA

Magical History Tours for Travellers in Time

18 - 22 October 2010

NATIONAL TRUST

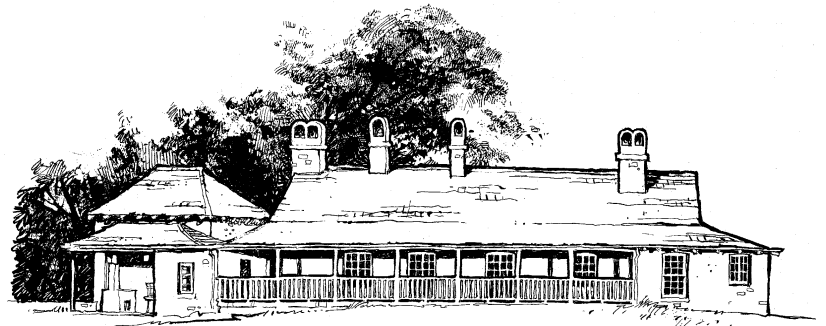

During WA Week visit a National Trust property for an excursion that brings one of our unique stories to life.

*Visit Woodbridge,
near Guildford*

or Tranby, Maylands

Students discover WA history through the lives of actual people.
Full day or half-day excursions. Fees apply.

- Programs relate to Curriculum Framework
- Workshops tailored for Years 1-7
- Additional resources available from National Trust

Woodbridge - Guildford to Gallipoli, the Harper Boys - suitable years 4 - 7

What happened in Western Australia when the Great War broke out in Europe in 1914? What did WA's young soldiers do in the war? What happened to those left behind?

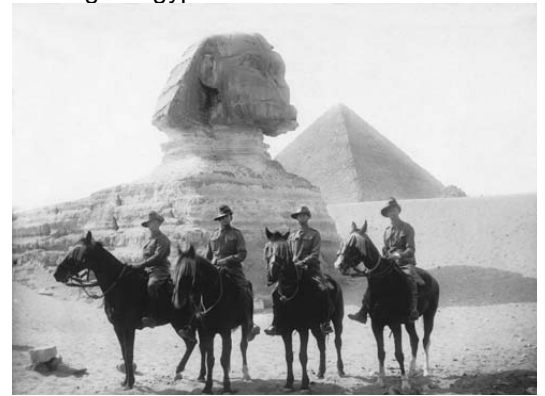

Students are introduced through stories, photographs and objects to two of the boys who grew up at Woodbridge. The story unfolds as they leave Australia's shores and find themselves far from home at a place called Gallipoli. A moving and educational program.

Alternative programs available for younger students.

Tranby - The lives of Swan River Colony Settlers - suitable years 1 - 7

What was Swan River Mania? What was life like for WA's European settlers? And how did their arrival impact on the lives of the Indigenous people already living here?

Tranby is an 1839 farmhouse built by Joseph and Anne Hardey on the banks of the Swan River. Through their lives, students discover how the pioneer settlers and their families lived. The visit includes a tour of the house and activities. Links to Time, Continuity & Change.
